Dear Sir,
Greetings and good wishes from YMCA Boys Town,
Kottivakkam.

At the outset I wish to thank and congratulate you and your team for planting 1 lac trees throughout Tamil Nadu at various locations. This is a remarkable achievement from the Corporates like you. Mr. Rajesh, Senior Engineer from your company was very much helpful in providing and planting 1000 trees of different varieties in our campus at Kottivakkam. Certainly this could bring the climate change into an order to prevent global warming. Thank you very much for your kind gesture.

Looking forward to the pleasure of continuing our relationship in the future.

Thanking you,

Yours sincerely,

(P. Asir Pandian)
